Within our setting, ‘pupils re-engage with learning and make good progress in developing skills, knowledge and understanding across a range of subjects.’ We pride ourselves on supporting and reviewing all pupils on an individual basis, this is supported by our academic and non academic curriculum.

In January 2024, the school was judged as ‘Good’ in all areas by Ofsted. This result epitomised the hard work and school improvements made since joining the Education Partnership Trust. Inspectors found our school to allow “The school has designed a curriculum that considers the wide range of pupils’ needs. This includes the high number of pupils who join the school throughout the academic year. The school identifies and meets the needs of pupils with special educational needs and/or disabilities (SEND) effectively.” A copy of the report can be downloaded from the school’s website.

We are committed to providing the best educational experiences and opportunities for our students. Our vision is to ensure a world class education, addressing social disadvantage where it exists through high expectations and an ambitious curriculum. At the very heart of the school’s work is a commitment to high quality teaching and learning and achievement for all: for our pupils to be safe, happy and

- Established as the 'school of choice' for alternative provision in the local area.
- The school has successfully achieved the SENDIA Award for additional support and guidance we provide our pupils with to reach their full potential.
